ARTICULATION AGREEMENT BETWEEN
Henry Ford College
Associate in Arts in Criminal Justice-Law Enforcement, Probation and Parole, Law Enforcement with Police Academy
and
Eastern Michigan University
Bachelor of Science in Criminology and Criminal Justice

Article I
Agreement on Principle

Eastern Michigan University (EMU) and Henry Ford College (HFC) agree that students who choose to begin their studies at the community college and transfer to a university to earn a bachelor’s degree should be provided with a smooth curriculum transition that minimizes loss of credit and duplication of coursework. Therefore, Eastern Michigan University and Henry Ford College enter into this articulation agreement to facilitate the completion of the Criminal Justice - Corrections/Probation & Parole program or the Criminal Justice- Law Enforcement program at HFC and the Bachelor of Science in Criminology and Criminal Justice at EMU. Both parties enter into this agreement as cooperating, equal partners who shall maintain the integrity of their separate programs.

Article II
Agreement on Program Specifics

Eastern Michigan University and Henry Ford College agree that any student who has satisfied the completed minimum requirements outlined in the attached articulation guide may transfer the course credits indicated in the guide toward a Bachelor of Science in Criminology and Criminal Justice at Eastern Michigan University. Under this agreement, EMU will waive the 60-hour rule and require that a minimum of 30 credit hours must be completed in courses offered by EMU, of which 15 hours must be in major/program requirements at the 300-level or above. A minimum of 124 total credits is required to graduate.

The Michigan Transfer Agreement (MTA) requirements may be completed at the most appropriate time for the student whether before or after admission to EMU. Students who enrolled in college prior to fall 2014 may use the MACRAO agreement and have until August of 2019 to have MACRAO requirements evaluated by the community college. If already on the transcript, the MACRAO designation will be accepted at EMU after August 2019. Students who have not satisfied the MTA or MACRAO agreement must complete EMU’s General Education Requirements as applied to transfer students. All other EMU graduation and program requirements must be satisfied whether by transferred courses, EMU courses, or approved substitutions or waivers.

For the purpose of this articulation agreement, both HFC and EMU agree to accept transferrable courses from each other and from other regionally accredited institutions. Articulation guides will be provided to assist students in completing the articulated program of study. Each institution will determine the satisfaction of their individual program and degree requirements. HFC courses indicated with an * on the articulation guide and listed in Article III are required for EMU’s program. Any substitutions for these courses must be approved by the EMU program coordinator if not already stated in the agreement. In the case of a student who has accumulated credits before declaring this program, every effort will be made to maximize the use of credits already completed. All students using this agreement will be encouraged to complete an associate degree.

Students using this agreement must apply and be admitted to EMU. HFC students will receive equal consideration with other students seeking admission and financial aid.

Additional Information:

1. In completing the coordinated program of study for this articulation agreement, course substitutions should be made with the guidance of the advisors (indicated below) at both institutions to assure that all requirements are satisfied. Each institution will determine the satisfaction of their individual program and degree requirements. HFC courses indicated with an * are required for EMU’s Criminology and Criminal Justice Program.

2. Students whose transcripts have the “MTA Satisfied” endorsement have satisfied the General Education Core Requirement and will only be required to complete the General Education Application requirements of one “Perspectives on a Diverse World” course, one “Learning Beyond the Classroom” (LBC) area, and a writing intensive course in the major. The Perspectives on a Diverse World course may be transferred from the community college. Students must request that an official community college transcript, with “MTA Satisfied”, be sent to EMU’s Admissions Office. Students, who do not have this on their community college transcript, will be required to satisfy EMU’s general education requirements as listed in the Undergraduate Catalog. MTA requirements may be completed after admission to EMU, however, students should inform advisors at EMU that they intend to complete the MTA or they may be advised to complete additional courses for the general education program.

3. Only courses with a grade of “C” or better (2.0 on a 4.0 scale) will be accepted for transfer to EMU.

4. Under this agreement, EMU will waive the 60-hour rule and require that a minimum of 30 credit hours must be completed at EMU, 15 hours of which must be in program requirements at the 300-level or above. Of the last 30 hours completed before graduating, a minimum of 10 credit hours must be in courses offered by EMU. A minimum of 124 credit hours, completed in-residence or accepted in transfer, is required for graduation. 5. Students must meet all admission requirements at the time of application for admission to EMU, including submitting transcripts from all previously attended colleges. HFC students will receive equal consideration with other students for course registration and financial aid.

6. Students are encouraged to contact the Criminology and Criminal Justice Program Coordinator before applying to EMU.
