Articulation Agreement Henry Ford College Associate of Arts in Liberal Arts Madonna University Bachelor of Arts in Sociology

Madonna University ("MU") and Henry Ford College ("HFC") have developed this articulation agreement ("Agreement) to facilitate the educational mobility and transfer of students from HFC to MU. (HFC and MU may also be individually referred to herein as a "party" or an "institution" and collectively as the "parties" or the "institutions.")

Article I

MU and HFC enter into this agreement as cooperating, equal partners who shall maintain the integrity of their separate programs, while working to ensure a smooth transition for interested students.

Article II

MU and HFC agree that any student who has earned an Associate of Arts degree in Liberal Arts at HFC may transfer the identified credits toward a Bachelor of Arts degree at MU in Sociology (the "Bachelor's Degree"). The Bachelor's Degree graduation requirements for HFC students who follow this Agreement are as follows:

- A. An Associate in Arts degree in Liberal Arts with MTA endorsement from HFC, with a minimum of 60 semester hours, including the courses noted in the appendix.
- B. The completion of a program of study in Sociology at MU, with a minimum of 120 semester hours, as outlined in the appendix.
- C. A grade of 2.00 or better is required of HFC courses for transfer to MU.
- D. Under this Agreement, HFC students are required to complete a minimum of 6 semester hours of Signature Course requirements at MU. Students must also meet all other current requirements needed for a Bachelor's Degree as noted in the appendix.

Article III

A student must comply with the then applicable individual program requirements that are in effect at the time the specific program is selected.

Graduates under this Agreement receive equal consideration with other applicants seeking admission or financial aid.

Article IV

MU and HFC agree that a person who has completed an Associate in Arts in Liberal Arts may graduate from MU with a Bachelor's Degree without duplicative study at MU by following the articulated plan appended in this Agreement.

Article V

To the extent permitted by applicable law, including the Family Educational Rights and Privacy Act ("FERPA"), 20 U.S.C. § 1232g, and its implementing regulations, 34 C.F.R. § 99.1 et seq., HFC and MU will share data on student achievement to assess program effectiveness. MU and HFC agree to communicate annually any curriculum changes or policies that affect the Agreement. Both parties reserve the right to amend or revise by mutual consent and in writing this Agreement or to change curriculum, whenever feasible.

HFC will designate an official(s) who will be responsible for all aspects of the articulation program at HFC. MU will designate individual(s) responsible for all aspects of this Agreement at MU.

The term of this Agreement shall be for a period of 5 years, unless terminated as provided herein. MU and HFC will review this Agreement annually and make adjustments or amendments as deemed appropriate to maintain the integrity of each institution as well as for the improvement of the transfer process and student articulation. All modifications to this Agreement must be in writing and signed by authorized representatives. This Agreement may be renewed for an additional three year term if mutually agreed in writing by the HFC and MU.

Article VI

The two institutions further agree to communicate the established relationships pursuant to this Agreement to their respective communities.

Article VII

Students enrolled in HFC courses shall be required to comply with HFC's polices and pay program approved HFC tuition and fees. Students enrolled in MU courses will be required to comply with MU's policies and pay program approved MU tuition, fees, and applicable living rates.

Both parties reserve the right to change their tuition and fees for any component of the program. Students already progressing through the program may experience a change of tuition and fees in line with changes affecting all other students in the same program at their respective institutions.

Federal regulations generally require that students receive financial aid from only a single institution from which courses are taken during a given quarter or semester. Accordingly, advisors should recommend that financial aid recipients take all their courses in a given quarter or semester at either HFC or MU. If a student attends both HFC and MU in a single semester, financial aid may be granted from only one institution unless the parties enter into a separate written consortium agreement to allocate and distribute financial aid for applicable students between HFC and MU.

Article VIII

Either MU or HFC may terminate this Agreement by notifying the other party in writing ninety (90) days in advance. Should this Agreement be terminated, any HFC student who has selected this articulation program prior to termination will be allowed to complete the program within a five-year period of time.

If any provision of this Agreement is declared by any court of competent jurisdiction to be invalid for any reason, such invalidity shall not affect the remaining provisions, and such remaining provisions shall be fully severable, and this Agreement shall be construed and enforced as if such invalid provisions never had been inserted in this Agreement.

Notices required under this Agreement shall be in writing and shall be sent registered mail or certified mail, return receipt requested. Such notices shall be addressed to the parties at the addresses set forth below, or at such other address as may be specified by either party. The parties may otherwise communicate by email.
