Article II
Agreement on Principle

This Agreement between *WSU* and *HFC* is intended to provide a smooth and seamless curriculum transition for *HFC* students who transfer to Wayne State to earn a Bachelor of Fine Arts. The agreement is designed for students who follow a prescribed plan of study leading to the Associate in Fine Arts and MTA. The credits transferred from the Associate in Fine Arts and MTA, as outlined in the appendices to this Agreement, will be included in the total credit hours required for the Wayne State University Bachelor of Fine Arts. Henry Ford College and *WSU* agree to cooperate in communication with each other and with common and respective publics concerning the established relationships between the two institutions. Communication will include the development of various kinds of publications to inform those who might benefit from the opportunities provided by this articulation agreement. Any marketing of the articulation program established under this Agreement will be subject to the prior written approval of both WSU and HFC. Each party agrees it will not use the other party’s name(s), mark(s), or logo(s) in any advertising, promotional material, press release, publication, public announcement, or through other media, whether written, oral, or otherwise without the prior written consent of the other party. Prior written consent will not be required for use of the other party’s name in the context of factual or descriptive statements regarding the subject matter of this Agreement. The appropriate faculty and staff in both institutions will share the information in this Agreement with interested and qualified students. Both institutions will provide academic advising to students and prospective students. Joint efforts in marketing the program and student recruiting will be pursued.

To the extent permitted by applicable law, including the Family Educational Rights and Privacy Act (“FERPA”), 20 U.S.C. § 1232g, and its implementing regulations, 34 C.F.R. § 99.1 et seq., HFC and WSU will share data on student achievement to assess program effectiveness.

Article VI

Both Parties agree to communicate annually any curriculum changes or policies that affect the agreed upon Articulation Agreement. Both parties reserve the right to amend or revise by mutual consent and in writing this Agreement or to change curriculum, whenever feasible.

Article VII
Regarding Independent Relationship

Each institution is solely responsible for the development and design of its own curriculum. Changes on the part of either party will/may necessitate review of this Agreement.
