Criminal Justice Articulation Agreement Henry Ford Community College & Madonna University

Henry Ford Community College and Madonna University have developed this articulation agreement designed to facilitate the educational mobility and transfer of students from Henry Ford Community College to Madonna University.

By completing the courses listed below, students will fulfill program requirements for the Associate in Arts in Criminal Justice at Henry Ford Community College. A maximum of **90** credits with a letter grade of “C” or better will transfer to Madonna; “C-” grades will not transfer. Developmental courses do not transfer and are not eligible towards the required hours of elective credits.

Eligibility for this articulation requires students to apply for BOTH their Associate Degree and MACRAO certification through the HFCC Registrar’s office. BOTH designations (Associate Degree and MACRAO) must appear on the final Henry Ford Community College transcript prior to transferring to Madonna University.

Concurrent enrollment between the two institutions can only occur in the first semester of course work taken at Madonna University, AND students have three or less courses to complete at Henry Ford Community College.

All incoming undergraduate students are required to write an assessment essay created and scored by Madonna University’s writing faculty. Based on writing assessment scores, some students may be required to take 1 – 3 credit hours in additional writing course work. For more information on the writing assessment, please contact the Writing Center Coordinator at (734) 432-5304.
