

**HENRY FORD COMMUNITY COLLEGE  
OFFICE OF THE PRESIDENT**

**BOARD REPORT**

**SUBJECT:** Proposed Technology Investment Fund Projects

Listed below are summaries for six projects recommended for funding by the Technology Investment Committee (TIC). The listing of projects does not indicate any order of ranking or other method of prioritizing requests.

<b>Project Director Division/Department</b>	<b>Nature of Request</b>	<b>Amount</b>
Sandro Silvestri DVC	Replace current SAN with state-of-the-art X-IO ISE SAN	\$262,000
Kristopher Young Technology/Automotive	Purchase and install five monitors, document camera and supporting equipment in Auto Lab T-152	\$23,400
Mark Siedlik Technology/Electrical	Purchase Fanuc Robot and Certified Education Robot Training (CERT) program	\$38,400
Cynthia Scheuer/Stephen Pedley Health Careers/Physical Therapist Assistant	Purchase and install state-of-the-art audiovisual equipment to create a Physical Therapy training classroom	\$45,500
Thomas Burns Technology/CIS	Purchase 24 MacBook Pro computers and mobile storage/charging cart for new CIS109 course	\$61,000
Peter Kim Learning Lab	Renovate Learning Lab area to further expand, diversify, and centralize technology based academic support services while adding innovations	\$240,600
<b>Total TIF funds requested</b>		<b>\$670,900</b>

The Technology Investment Committee held an open meeting on February 1, 2013 to hear presentations from divisions/departments requesting funds. The committee recommended six proposals for funding. The six projects have also been reviewed by College administration which offers its support. The total value of the six TIF projects for which the committee is recommending is \$670,900.

**RECOMMENDATION:**

The College administration concurs with the Technology Investment Committee and recommends that the six projects be approved for funding by the HFCC Board of Trustees.
